members

Focused

improvement
in
operational
effectiveness
through
assessments
and training

Congenial

atmosphere
to promote
relationships
between
fleet/shore
components
and NCIS

History

Predecessor Organizations

Mobile Training Teams (MTT):

Training for Navy Security Forces, expanded in recent years with emergent AT/FP shipboard training

Law Enforcement and Physical Security Assistance Teams (LEPS):

Assessments in security, law enforcement and Military Working Dogs (MWD), staffing validation and vulnerability assessments

History

2 Predecessor Organizations (MTT & LEPS)

Became

1 Unified Team

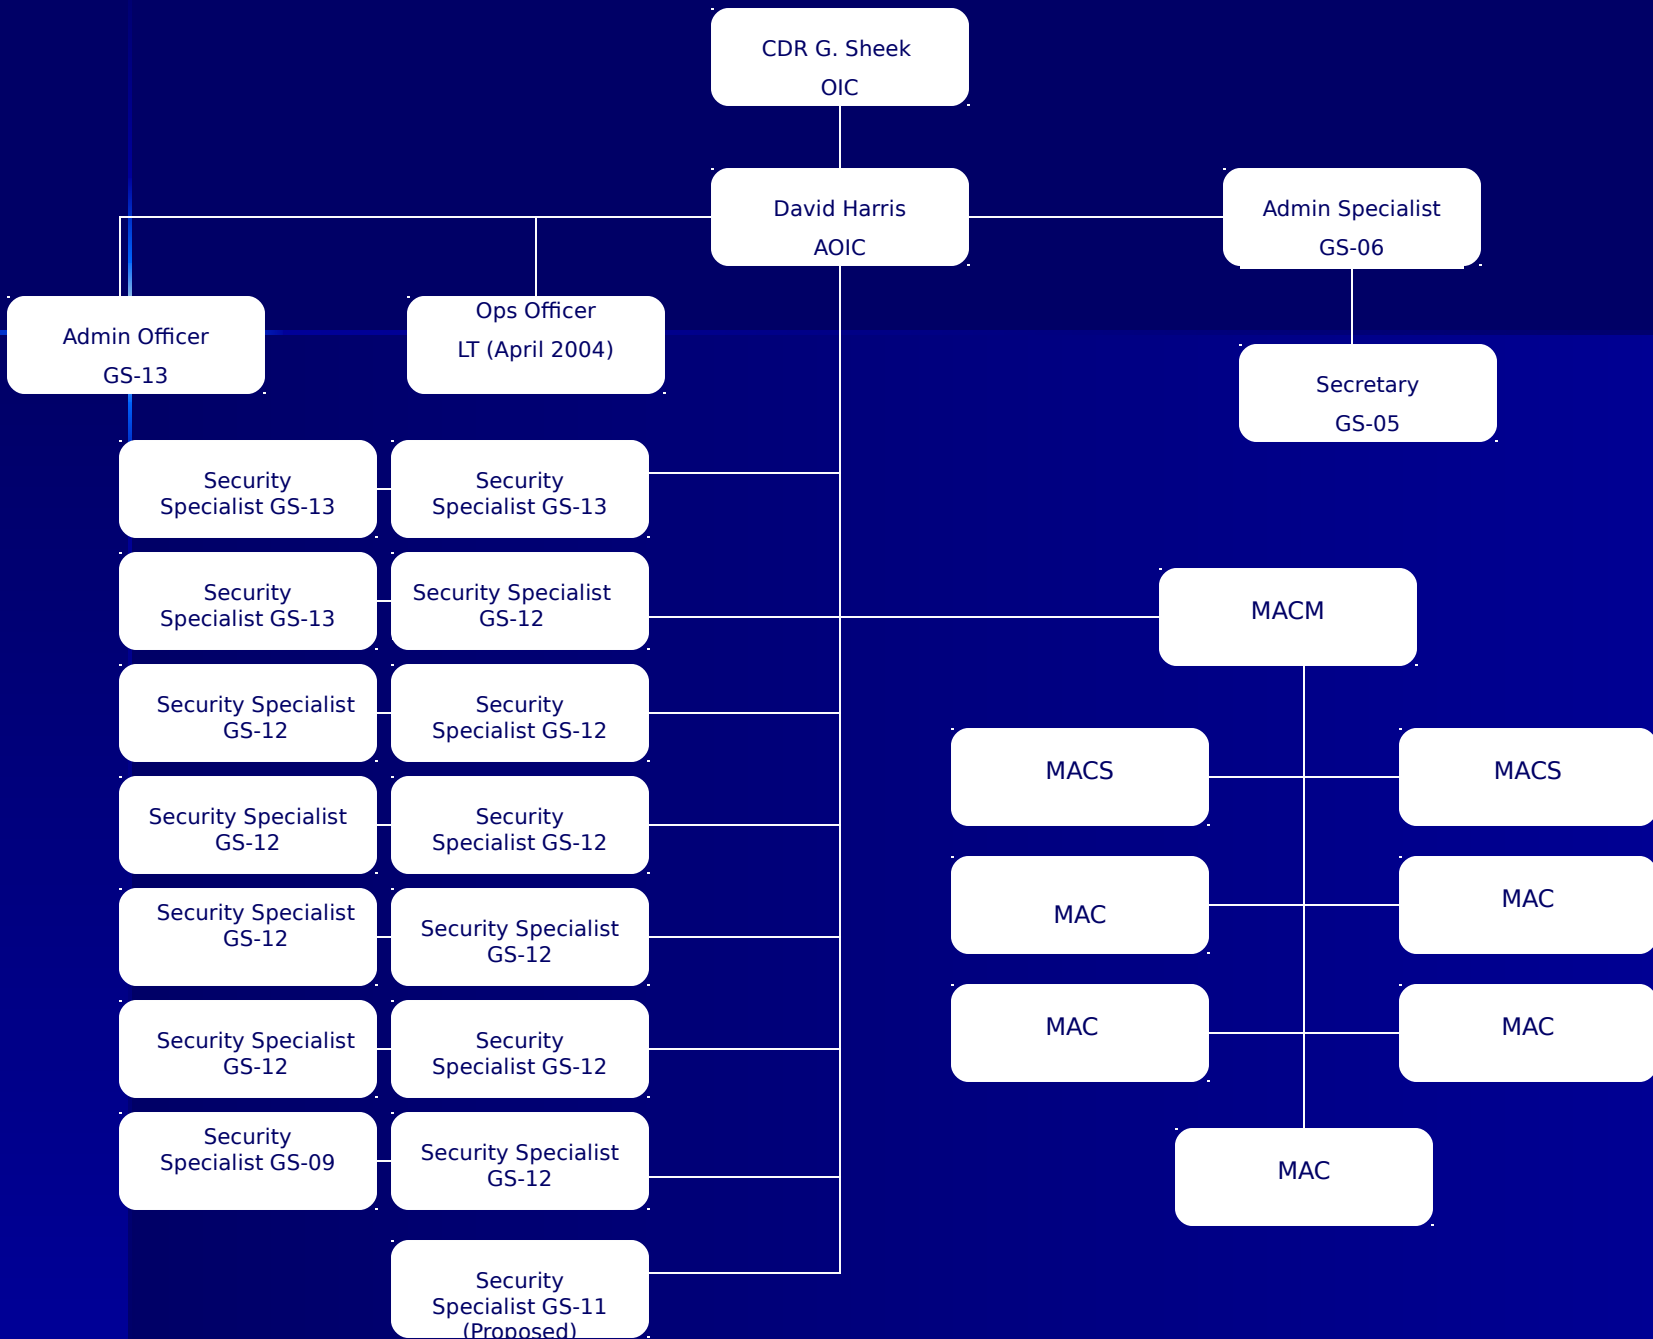

Personnel

STAAT LANT Leadership

- Officer in Charge
- Assistant Officer in Charge

Number	Title/Rank	Location
14 (3 due to report)	080	Norfolk
(1 due to report)	Lieutenant	Norfolk
1 (1 due in July)	MACM	Norfolk
2	MACS	Norfolk
2	MAC	Norfolk
2	Secretary/Admin	Norfolk

STAAT Level of Effort Study

- Headquarters provided business rules
 - Man Year = 1840 hrs (6 wks annual/sick)
 - Assessments/assist visits- through historical data
 - Training – identified customer base and metrics
 - Miscellaneous – course/professional development

Customer Base/ Regional Training Metrics

■ LANT	6,482
■ EUR	1,535
■ Bahrain	648

- Basic level courses (5) - one iteration for each 500 security personnel
 - EUR AORs one iteration per base
- Supervisory level courses (2) - one iteration for each 1000 personnel

STAAT

New Initiatives

- Antiterrorism exercises in three phases
 - (Planning, Tabletop, Full Exercise)
- Two law enforcement courses
 - (Interview/Investigations & Crime Scene)
- Armed Sentry Course

STAAT

Metrics Results

<u>Results</u>	<u>Authorized</u>
